

Release Notes - Bonzai Intranet

VERSION 2.2.11

Notices

Copyright © 2016-2020. Aurea Software, Inc. (“Aurea”). All Rights Reserved. These materials and all Aurea products are copyrighted and all rights are reserved by Aurea.

This document is proprietary and confidential to Aurea and is available only under a valid non-disclosure agreement. No part of this document may be disclosed in any manner to a third party without the prior written consent of Aurea. The information in these materials is for informational purposes only and Aurea assumes no responsibility for any errors that may appear therein. Aurea reserves the right to revise this information and to make changes from time to time to the content hereof without obligation of Aurea to notify any person of such revisions or changes.

You are hereby placed on notice that the software, its related technology and services may be covered by one or more United States (“US”) and non-US patents. A listing that associates patented and patent-pending products included in the software, software updates, their related technology and services with one or more patent numbers is available for you and the general public’s access at <https://markings.ipdynamics.ai/esw/> (the “Patent Notice”) without charge. The association of products-to-patent numbers at the Patent Notice may not be an exclusive listing of associations, and other unlisted patents or pending patents may also be associated with the products. Likewise, the patents or pending patents may also be associated with unlisted products. You agree to regularly review the products-to-patent number(s) association at the Patent Notice to check for updates.

Chapter 1: Overview of Bonzai Intranet 2.2.11

Aurea is happy to announce and provide release version 2.2.11:

Release Version	2.2.11
Release Date	12/12/2020
Deliverables	Release Notes Bonzai Intranet Deployment Package

How to install or upgrade to this release

Please contact success@skyvera.com for more information on how we can help you to upgrade to this release.

The Bonzai team will deploy release 2.2.11 to our CDN on 12/12/2020.

Customers running 2.2.0 and above are automatically updated to 2.2.11 with no further action required.

Aurea global support

If you encounter a problem while using an Aurea product or require assistance with downloading the software or upgrading a product release, please, try to:

- Search the articles on the [Aurea Knowledge Base](#) for solutions to your issues.
- Search the product documentation and other product-related information that are also available on [Support Central](#).

If you still cannot find a solution, open a ticket on [Aurea Support Central](#). Information about the support organization is available on [Support Central](#) as well.

You can also find the setup files on [Support Central](#).

For information about purchasing an upgrade or professional services, contact your account executive. If you do not know who your account executive is, or for other queries, contact us through our [website](#) or contact sales@aurea.com.

Chapter 2: Changes in this release
